# *RAILWAY HOTEL/MOTEL*

Macca, Donna & Staff would like to welcome you to our historic hotel and trust you will enjoy your time here in Peterborough.

The Railway Hotel was built in 1891, its doors opening on the 24<sup>th</sup> of December. W Britten was the inaugural licensee, hosting Governors and high-ranking officials during its grand history. The building was described at the time as palatial, with the copula Tower on the roof seen as a strong architectural feature. Future licensees have endeavoured to maintain the historic character of the hotel even with renovations.

In 1949, the town was shocked by a murder/suicide in the hotel and some guests have reported ghostly happenings!
